Copyright (C) 2004-2008 Theobald Software GmbH

**END-USER LICENSE AGREEMENT**  
**FOR ALL SOFTWARE COMPONENT PRODUCT(S)**

Definitions: This Theobald Software License Agreement ("EULA") is a legal agreement between you (either as an individual user, corporation or single entity) and Theobald Software GmbH for the Xtract IS product which includes Computer software, and may include associated media, printed materials, and "online" or electronic documentation ("SOFTWARE PRODUCT" or "SOFTWARE"). By exercising your rights to install Xtract IS, you agree to be bound by the terms of this EULA, including the limitations and warranty disclaimers. If you do NOT agree to the terms of this EULA, you may not install nor use Xtract IS;

SOFTWARE PRODUCT LICENSE

Xtract IS is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

1. GRANT OF LICENSE.

This is a license agreement, and NOT an agreement for sale. Theobald Software GmbH retains ownership of the copy of Xtract IS in your possession, and all copies you may be licensed to make. Theobald Software GmbH retains all rights not expressly granted to you in this LICENSE. Theobald Software GmbH hereby grants to you, and you accept, a non-exclusive, non-transferable license to use and copy Xtract IS only as authorized below.

Provided that you have accepted these terms contained herein, this EULA grants you the following rights:

**Installation and Use:**

**Professional License:** You are granted a license for all developers (individuals) within your organization to us **Xtract IS Table Component and Xtract IS Query Component**. At no time may Xtract IS be used by non-employed individuals of your organization for any purposes -- nor may Xtract IS be distributed to any place outside your organization.

**Enterprise License:** You are granted a license for all developers (individuals) within your organization to us **Xtract IS Table Component, Xtract IS Query Component, Xtract IS BAPI Component and Xtract BW Cube Component**. At no time may Xtract IS be used by non-employed individuals of your organization for any purposes -- nor may Xtract IS be distributed to any place outside your organization.

**Extended Enterprise License:** You are granted a license for all developers (individuals) within your organization to us **Xtract IS Table Component, Xtract IS Query Component, Xtract IS BAPI Component, Xtract BW Cube Component, Xtract IS BW Loader Component and Xtract IS Open Hub Service Component**. At no time may Xtract IS be used by non-employed individuals of your organization for any purposes -- nor may Xtract IS be distributed to any place outside your organization.

**Ultimate License:** You are granted a license for all developers (individuals) within your organization to us **Xtract IS Table Component, Xtract IS Query Component, Xtract IS BAPI Component, Xtract BW Cube Component, Xtract IS BW Loader Component, Xtract IS Open Hub Service Component, Xtract IS Hierarchy Component, Xtract IS DeltaQ Component and Xtract IS Report Component**. At no time may Xtract IS be used by non-employed individuals of your organization for any purposes -- nor may Xtract IS be distributed to any place outside your organization.

**Source Code License:** This includes all rights and responsibilities associated with the Enterprise License as well as a copy of the commented source code and the rights to create your own build for your business needs. You do not have rights to redistribute the source code to 3rd parties and you are legally responsible for maintaining its secrecy. You do not have rights to sell the build result as a component or redistribute in any way as a standalone product. The source code copy will not contain any licensing and code signing logic to protect future and current products of Theobald Software GmbH Components.

**Trial License:** This includes all rights and responsibilities associated with the Ultimate License for a limited amount of time.

**For All Licenses:** In no case shall you rent, lease, lend, redistribute nor re-license Xtract IS or source code to a 3rd party individual or entity, except as outlined above. In no case shall you grant further redistribution rights for Xtract IS to the end-users of your solution.

## 2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

Termination. Without prejudice to any other rights, Theobald Software GmbH may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of Xtract IS and all of its component parts, source code, associated documentation, and related materials.

## 3. COPYRIGHT.

All title and copyrights in and to Xtract IS (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into Xtract IS PRODUCT), the accompanying printed materials, and any copies of Xtract IS are owned by Theobald Software GmbH. Xtract IS is protected by German copyright laws and international treaty provisions. Therefore, you must treat Xtract IS like any other copyrighted material.

## 4. LIMITED WARRANTY.

NO WARRANTIES. Theobald Software GmbH expressly disclaims any warranty for Xtract IS PRODUCT. Xtract IS and any related documentation is provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties of merchantability, fitness for a particular purpose, or non-infringement. The entire risk arising out of use or performance of Xtract IS remains with you.

## 5. LIMITATION OF LIABILITY.

NO LIABILITY FOR CONSEQUENTIAL DAMAGES. In no event shall Theobald Software GmbH or its distributors be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this Theobald Software GmbH product (Xtract IS) and related materials, even if Theobald Software GmbH has been advised of the possibility of such damages. Because some states do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.
